TECHNICAL SKILLS

Web Development: HTML5, CSS3, JavaScript, WordPress

Design Tools: Figma, Adobe Photoshop, Canva

WordPress Tools: Elementor, Custom Post Type UI

Design Skills: UI/UX Design, Responsive Web Design, Wireframing, Layout Design

WORK EXPERIENCE

Front-end Web Developer / UI/UX Designer

Rightcore Inc. – Makati City

November 2023 – Present

- Delivered 10+ responsive website projects by converting Figma designs into functional front-end pages using HTML, CSS, and JavaScript.
- Created wireframes, mockups, and interactive prototypes aligned with project requirements.
- Managed and updated WordPress websites, including theme customization, layout adjustments, and Custom Post Type UI configuration.
- Collaborated with developers to ensure smooth handoff from design to fully functional websites.
- Improved user experience through refined layouts, typography, spacing, and color consistency.

Software Engineer Intern

Manulife IT Delivery Center Asia Inc. (MITDC) – Makati City

February 2023 – May 2023

- Assisted Senior developers and analysts in designing and implementing a web-based system project.
 - Supported coding, debugging, and testing tasks for front-end and back-end components.
 - Helped ensure proper layout, functionality, and essential features were implemented according to project requirements.
 - Completed a Software Engineer Internship focused on web-based system development, debugging, and technical support tasks.
-

PROJECTS

Community Game Server Project

Game Client Developer / Website Designer

2026 – Present

- Designed the initial website layout and user interface for a community-based game server project.
 - Imported and integrated new in-game assets into the game client, including visual resources and update-related files.
 - Assisted in checking client-side issues, asset updates, login concerns, and gameplay-related bugs.
 - Coordinated with the team regarding game updates, maintenance, fixes, and community reports.
-

EDUCATION

Bachelor of Science in Information Technology

Our Lady of Fatima University – Valenzuela City

2018 – 2023
